5.

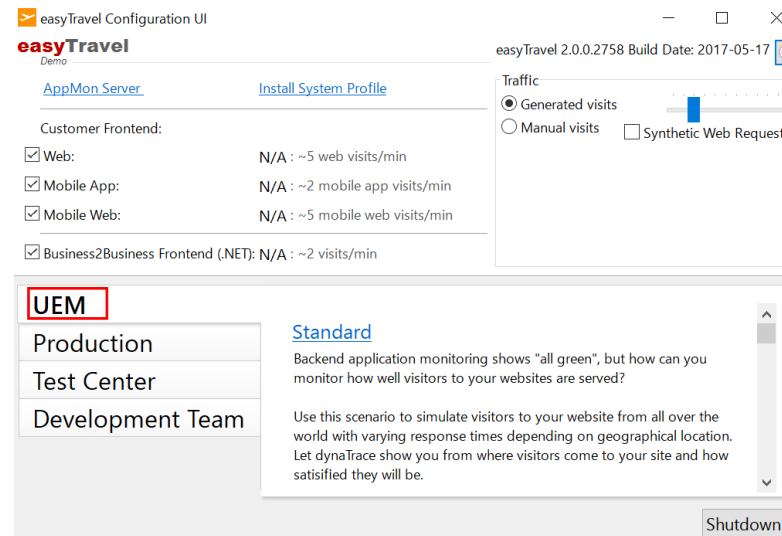

インストール完了です！

(参考) easyTravel の起動

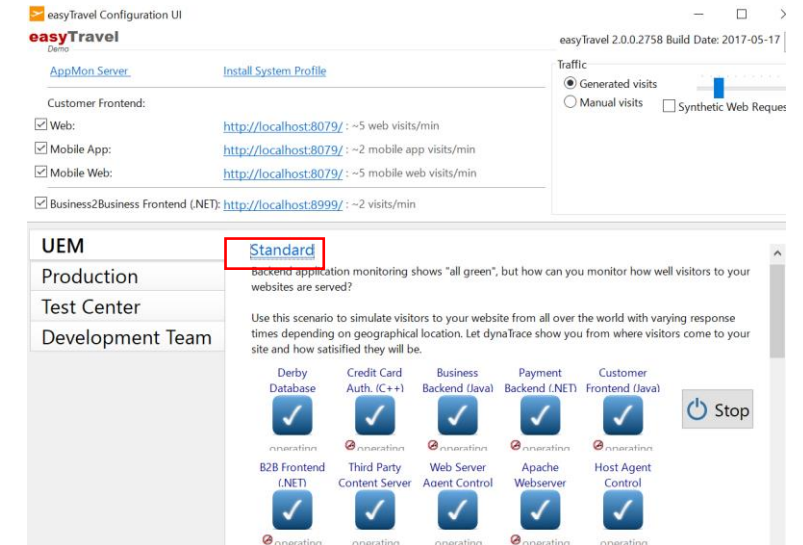

1. Windowsスタートメニューから
"easyTravel Configuration UI" を起動

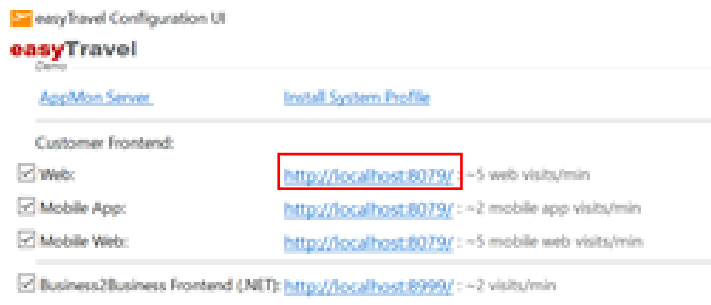

2. UEMタブを選択

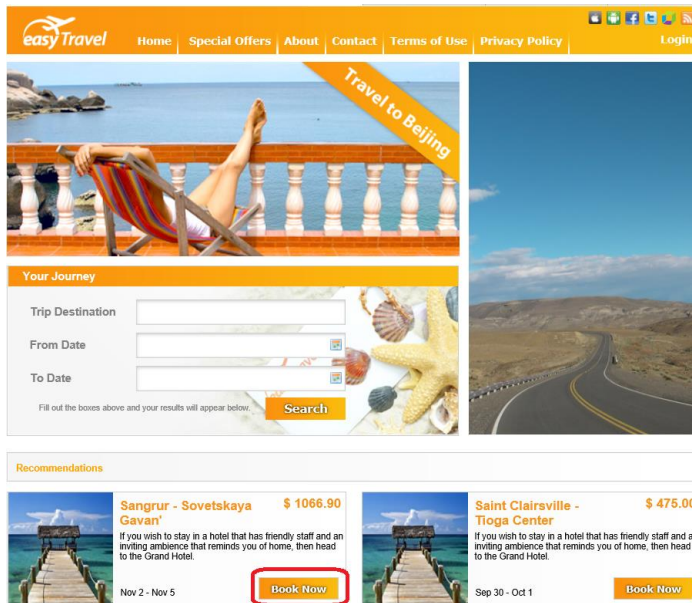

3. Standardリンクをクリック

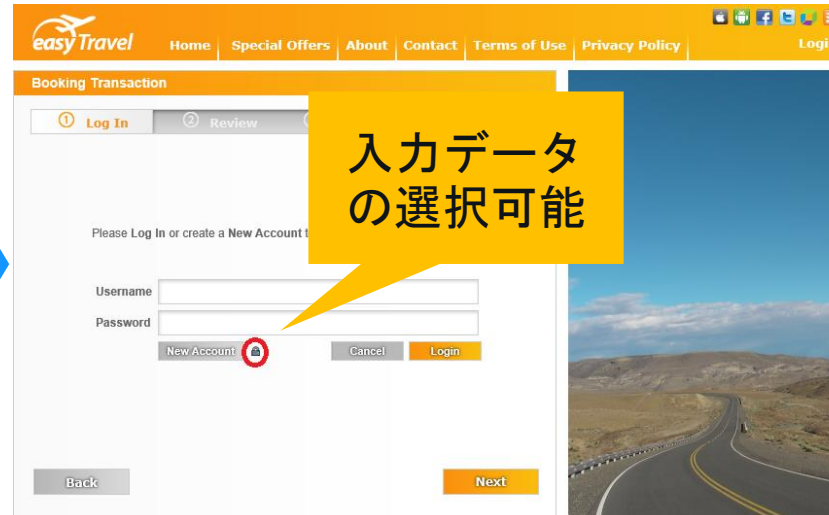

4. <http://localhost:8079/> リンクをクリックして、ブラウザを起動

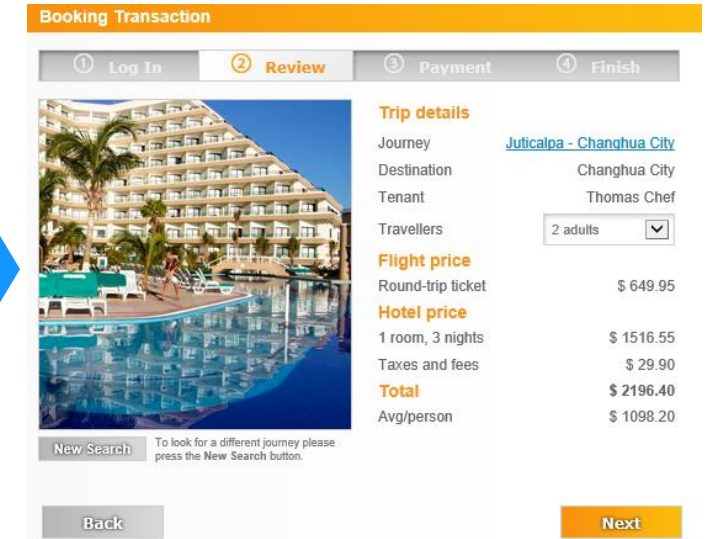

(参考) easyTravel の操作例 (http://localhost:8079/)

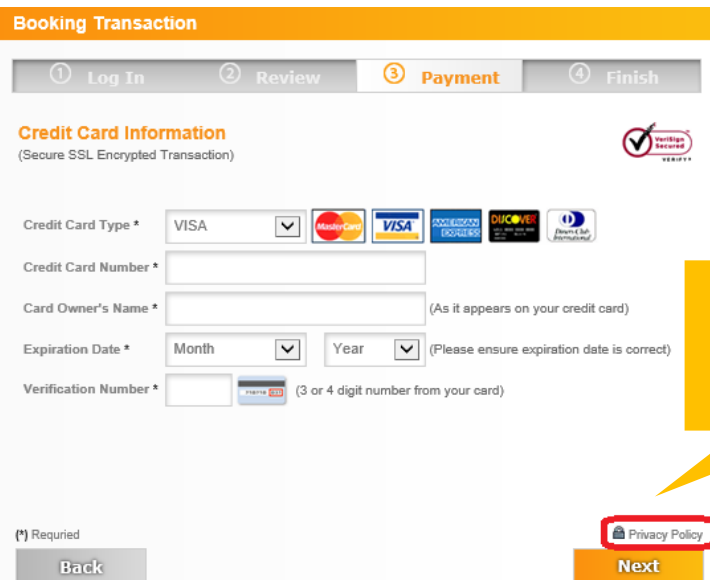

The home page features a navigation bar with links: Home, Special Offers, About, Contact, Terms of Use, Privacy Policy, and a Login button. A banner at the top right says "Travel to Beijing". Below the banner is a "Your Journey" section with input fields for "Trip Destination", "From Date", and "To Date", a "Search" button, and a note: "Fill out the boxes above and your results will appear below." A "Recommendations" section at the bottom shows two hotel deals: "Sangrur - Sovetskaya Gavan" for \$1066.90 (Nov 2 - Nov 5) and "Saint Clairville - Tlopa Center" for \$475.00 (Sep 30 - Oct 1). Both have "Book Now" buttons.

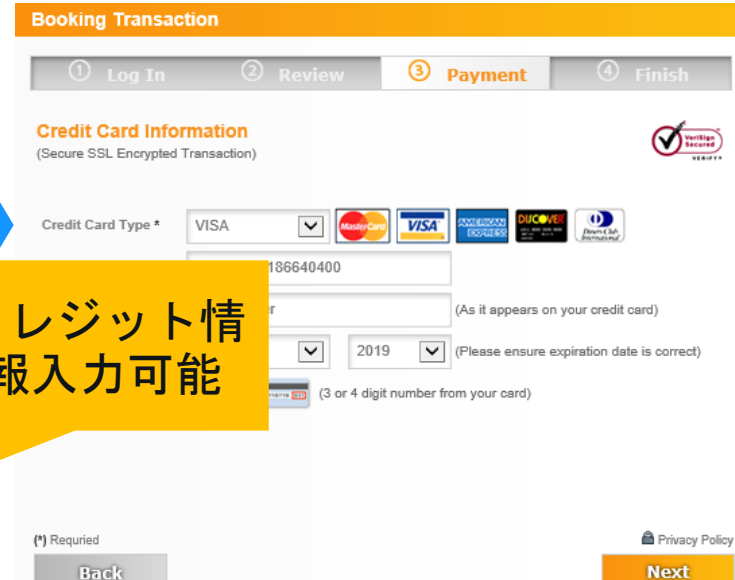

The login page has a navigation bar and a "Booking Transaction" header. It includes a progress bar with "Log In" and "Review" steps. A yellow callout bubble with the text "入力データの選択可能" (Input data selection possible) points to the "New Account" button. The login form contains fields for "Username" and "Password", and buttons for "New Account", "Cancel", and "Login". A "Back" button is at the bottom left, and a "Next" button is at the bottom right.

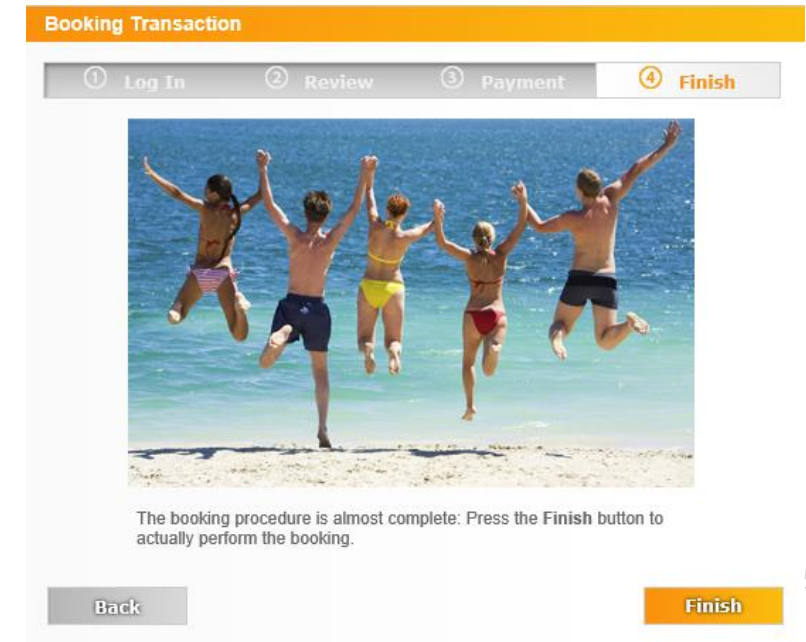

The review page shows a progress bar with steps: "Log In", "Review", "Payment", and "Finish". It features a large image of a hotel and a "Trip details" table. The table lists: Journey (Juticalpa - Changhua City), Destination (Changhua City), Tenant (Thomas Chef), Travellers (2 adults), Flight price (Round-trip ticket \$649.95), Hotel price (1 room, 3 nights \$1516.55), Taxes and fees (\$29.90), Total (\$2196.40), and Avg/person (\$1098.20). There is a "New Search" button and a "Next" button.

The payment page has a progress bar with steps: "Log In", "Review", "Payment", and "Finish". It contains a "Credit Card Information" section with a "Verify Secure" icon. The form includes fields for "Credit Card Type" (with a dropdown and logos for VISA, MasterCard, American Express, Discover, and Diners Club), "Credit Card Number", "Card Owner's Name", "Expiration Date" (with month and year dropdowns), and "Verification Number". A "Back" button is at the bottom left, and a "Next" button is at the bottom right.

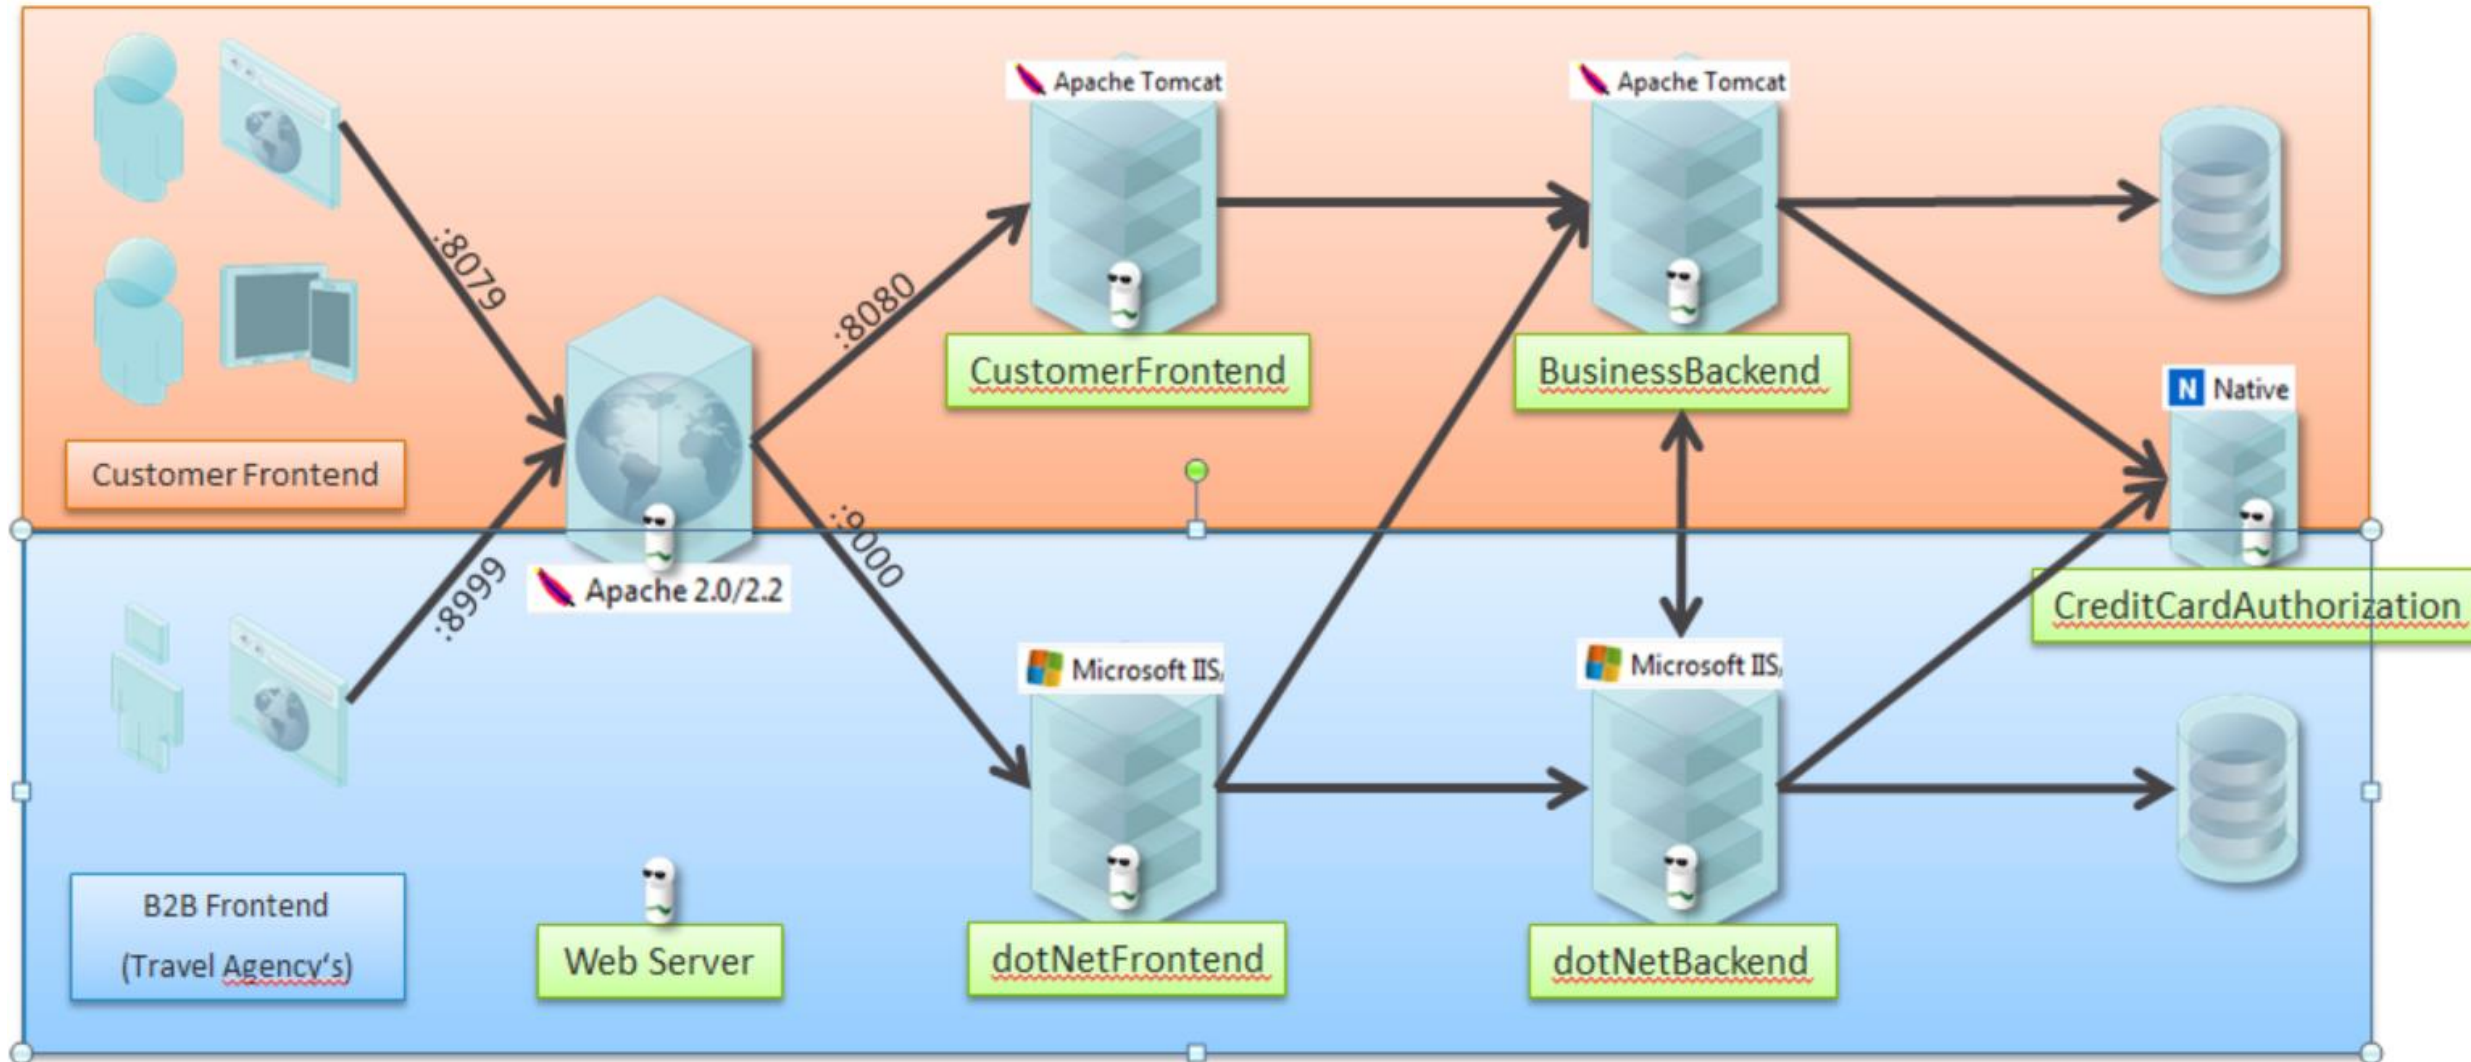

This is a continuation of the payment page, showing the same "Credit Card Information" form. A yellow callout bubble with the text "クレジット情報入力可能" (Credit card information input possible) points to the "Next" button. The "Next" button is highlighted with a red box.

The finish page has a progress bar with steps: "Log In", "Review", "Payment", and "Finish". It features a large image of people jumping in the ocean. Below the image, it says: "The booking procedure is almost complete: Press the Finish button to actually perform the booking." There is a "Back" button and a "Finish" button.
